

Dear Representative of Fibra Uno Administracion S.C.,

Thank you for signing the MSCI ESG Ratings Badge Request form.

We have attached your latest MSCI ESG Ratings badge in JPG, PNG and SVG formats. You may use them to communicate your MSCI ESG Rating externally, including on your website, Annual Report, CSR or Sustainability Report, news releases, marketing material, investor day material, and one-on-one presentations with existing or potential investors - provided they are not linked to a security offering.

Please note that use of your MSCI ESG Rating for financing purposes, including ESG-linked loans and credit facilities, or to include your MSCI ESG Rating in debt or equity offering material, requires a separate license. For more information about our commercial offerings for issuers, please contact SustClimate_corporate_sales@msci.com.

While we encourage you to review the [How to Reference an MSCI ESG Rating guide](#), which outlines MSCI Solutions' preferred reference parameters, a shorter version is as below:

"In [YEAR], [COMPANY] received a rating of [RATING] (on a scale of AAA-CCC) in the MSCI ESG Ratings assessment." Or "As of [YEAR], [COMPANY] received an MSCI ESG Rating of [LETTER RATING]."

YEAR – Year mentioned in the Ratings Action Date in the ESG Ratings Report

A disclaimer statement will be required to accompany the badge (as outlined in the terms and conditions and below). The disclaimer statement or link to the disclaimer statement must be present on the same page where the badge is visible. Alternatively you may make the disclaimer available at a weblink and hyper link it with the rating badge.
