Mexico City. March 25, 2024.

Fibra Uno (BMV: FUNO11) (“FUNO” or “Fideicomiso Fibra Uno”) the leading and largest real estate investment trust in Mexico and Latin America, informs its investors that, as we mentioned in our press release on February 27, we deny false, distorted, and biased accusations published by different media outlets, which aim to mislead our stakeholders. To date, FUNO is not aware of or has been notified of any legal processes related to said accusations. FUNO has always conducted its business as a law-abiding corporate citizen since its inception; its history and results speak for themselves.

In addition, taking into consideration our duty towards all of our stakeholders, FUNO has taken the necessary measures, issued the corresponding complaints, and initiated the legal proceedings that are available at its disposal, so that the people responsible for said defamations, refrain themselves from continuing to defame the company with the objective to affect the behavior of its securities.

FUNO reiterates its commitment to keep its investors informed at all times.
